

that

night  
in front of  
kahler's meat  
market when  
i put my  
hand on  
sandy mason's  
snatch she  
shot an awkward  
right hook  
into my ear  
& bit me  
on the cheek  
so hard  
it made blood  
come now  
whenever i get  
a hardon  
i can feel  
her teeth
